SUMON AHMED

Frontend Developer (MERN Stack) | React.js | Next.js | Node.js | Express.js | Mongodb

Mithapukur, Rangpur, Bangladesh | +8801707-286766 | md20sumon25ahmed@gmail.com
Portfolio | GitHub | LinkedIn

CAREER OBJECTIVE

Passionate and detail-oriented Frontend Developer with hands-on experience in building responsive and user-friendly web applications using React.js, Next.js, JavaScript, HTML, CSS, and Tailwind CSS. Skilled in developing modern web interfaces and integrating REST APIs. As a MERN Stack Developer, I also possess a strong understanding of backend technologies, enabling effective collaboration across the full development lifecycle. Seeking an opportunity to contribute my technical skills, problem-solving abilities, and continuous learning mindset to a dynamic development team while growing as a professional software engineer.

TECHNICAL SKILLS

Frontend: HTML5 | CSS3 | JavaScript (ES6+) | React.js | Next.js | Tailwind CSS | DaisyUi | HeroUi
Backend: Node.js | Express.js | REST API
Database: MongoDB

Authentication: JWT | Better Authentication

Version Control: Git | GitHub

Tools & Platforms: VS Code | Postman | Vercel | Netlify | MongoDB Atlas

Soft Skills: Problem Solving | Team Collaboration | Communication | Time Management

PROJECTS

Tutor Booking Platform — Live link | Github Client | Github Server
Technologies: React.js | Next.js | Tailwind CSS | Node.js | Express.js | MongoDB | JWT
- Developed a full-stack tutor booking platform with secure user authentication and authorization.
- Implemented tutor search, booking management, and review functionality.
- Integrated REST APIs for efficient data management and real-time updates.
- Built responsive and user-friendly interfaces for seamless user experience.

Keen Keeper — Live link | Github
Technologies: Next.js, Tailwind CSS, BetterAuth, MongoDB, HeroUI, React Hot Toast
- Developed a modern online learning platform with authentication and protected routes.
- Implemented Google login, course search functionality, and profile management features.
- Designed responsive and clean user interface for better user experience.
- Integrated RESTful APIs to efficiently manage course data and user interactions.

Digi Tools — Live link | Github
Technologies: HTML5, CSS3, TailwindCss, DaisyUi, Javascript (ES6+), React.js
- Developed Digi Tools, a web-based platform that provides multiple useful digital tools in a single application.
- Implemented a responsive and user-friendly interface to ensure a seamless experience across all devices.
- Built features focused on improving productivity, reducing manual effort, and simplifying everyday digital tasks.
- Utilized modern web technologies to deliver fast performance, scalability, and an intuitive user experience.

EDUCATIONAL QUALIFICATION

Higher Secondary Certificate (HSC)

Bamandanga Abdul Haque College

Passing Year: 2024

CAREER INTERESTS

Frontend Development, Backend Development, MERN Stack Development, Responsive UI/UX Design, Modern Web Application Development

CERTIFICATIONS & LANGUAGES

Certifications : Complete Web Development with MERN Stack - Programming Hero, 2026; Responsive Web Design.

Language : Bangla (Native), English (Intermediate)
